She has such a fair complexion.

111 really a joy to be shed.

Whenever she looks down the aisle she gives me an exquisite smile.

MEMORIAL CELEBRATION!

Able Address By Colonel D. W. McClung of Cincinnati.

THE PROGRAM CUT SHORT BY RAIN.

Freighted with sad memories of the greatest internecine strife which history records, yet beautifully touching in its annual re-enactment, Memorial Day was observed yesterday by the surviving clem of that mighty army which while marching, fighting and falling in defense of the cause it loved now numbers comparatively few. The Day is one of semi-sacredness, and colored by pious becomes holy and reverent.

This year's exercises were under the auspices of George Heiser Post No. 13, usually the conductor of this commemorative custom; acting as aid was the P. O. S. of A. in full regalia, therefore making the parade one of length and adding an imposing feature greatly enhancing the sight and giving a deeper significance doubly impressive and appropriate.

The C. and O. train from Cincinnati at 1:30 brought Colonel D. W. McClung, the orator of the day, and being met at the station by Commodore Thomas A. Davis and A. N. Ellis proceeded to the corner of Market and Third streets, where the formal procession came into line.

During his stay here he was the guest of his friend, Dr. A. N. Ellis. It was the Colonel's first visit to Mayville, and as he is an historical student he was particularly anxious to view the home-lands and the graves of our pioneers.

He returned this morning to Cincinnati, where he is Assistant United States Treasurer.

Joseph Heiser Post desires to thank most heartily all who aided in the preliminary and the active exercises of the day—to all who gave flowers, and to the ladies who so kindly arranged them at the Hall; to Mr. Hal C. Curran for the beautiful solo, "The Sentinel's Sleep," which he sang so touchingly at the opening exercises; to Mr. R. L. Hoeltich, organist; to the Rev. F. W. Harrop; to Colonel George Rudy's Drum Corps; and to every one who contributed to the success of the occasion.

THE old Soldiers Monument in the Courthouse yard at Vanceburg, the first one erected in Kentucky, has recently been reentered and painted.

The Rev. J. S. Sims, formerly of this city, delivered the annual address to the graduates of Jessamine Female Institute at Nicholasville Wednesday.

EVERY THE COURIER-JOURNAL has opened its eyes to the baneful effects of political legislation in Kentucky, and calls a halt on the warfare against capital and enterprise. Corporations ask of Kentucky the same treatment they receive in other states—no better, no worse.

NEW ORLEANS is about to test the virtue of oil as a dust layer. It is claimed that California experiments show that streets sprinkled with oil give a road surface almost as hard as asphalt, with all the dust and dirt imprisoned under the hard upper crust formed by the drying action of the sun on the oil-soaked top dust. Of course the oil sprinkler is not for use on busy macadamized or unpaved streets. Why not try it on a space about six inches square on one of Mayville's turnpikes—not necessary for adoption, but merely as an "experiment"?

SOME of the Republican papers are exceedingly anxious to know who put up the \$200 for the appearance of Weaver the barber in the Scott Circuit Court. The money was furnished by a sister who lives in Texas. Now, will these same papers want to know where the sister got the money? Georgetown, Texas.

Oh, no—we'll just let it go at that; but THE LEDGER is one of the Republican papers that would like to know why some effort is not being made to apprehend this despicable villain—this wretch who attempted to swear away the life of a fellow-being? Or does The Times think the forfeiture of \$200 sufficient compensation for Weaver's crime against humanity?

Dr. J. C. Green and Dr. A. C. Chenoweth, at the Commencement of Kentucky Wesleyan College at Winchester this week, on account of his personal worth, scholarly attainments and devotion to the interests of the College, the Degree of Doctor of Divinity was conferred on the Rev. W. F. Taylor, Pastor of M. E. Church, South, of this city. Dr. Taylor was greatly surprised, as he had no knowledge that anything of the kind was in contemplation.

A five-year-old son of Mr. Al. Maddox has a circus all his own on East Second this morning. An ordinary yellow dog was the prize which the young man coveted. He tried to capture it with a lasso, but with one end of the rope in the dog's mouth and the young man working with all his might at the other end a lively war was kept up for some time. The incident, with the boy so much in earnest, furnished a real deal of amusement to bystanders.

Yesterday the odor of escaping gas was detected by Superintendent Simpson about the premises of Mr. Louis Forger on Market street, lately occupied by Klipp & Brown, but for some months vacant, and in his effort to locate the leak endangered his life. He descended the steps to the cellar and struck a match. Immediately there was an explosion which made passers-by apprehensive. We are glad to state that beyond singed hair and much railing of dust no injury resulted to Mr. Simpson, the faithful employee and worthy citizen.

THE MEDICINE MEN.
 All the Old Officers Re-Elected at Wednesday's Meeting.

The Mason County Medical Society held its regular monthly meeting at the residence of Dr. S. R. Harvor Wednesday last.

There was a fair working attendance, but a larger was desired in view of the election of officers for the coming year. The old officials were re-elected, as follows:—
 President—Dr. James Shackelford.
 Vice-President—Dr. Alex. Harvor.
 Secretary—Dr. A. G. Browning.
 Corresponding Secretary—Dr. A. N. Ellis.
 Treasurer—Dr. S. R. Harvor.

The leading essay was by Dr. Harvor on "The Importance of Diet in Health as Well as in Disease." The well-chosen subject was pointedly and skillfully handled, abounding in useful reminders to the physician and of much value to laymen had they been present to profit thereby. It isn't at all pertinent whether doctors practice what they preach; the stubborn fact is that over-indulgence at table has its retributive sting without respect of person or vocation, and he is wise who heeds such advice as the doctor gave.

Dr. Irvine, an honorary member from Toilsboro, was timely, as ever, in his coming, and as usual fallacious and instructive in his presentation of some cases of much professional interest.

On motion of Dr. Cook, the Society was again put upon wheels and Blue-leaf Springs selected as the place of next meeting on Wednesday, June 26th. Efforts will be made to secure a full attendance of the members, and also of the physicians of the county within easy reach of the springs; and are cordially invited in advance.

Dr. A. G. Browning and Dr. A. N. Ellis of the latter city were appointed Essayists for the October.

Mr. William Tureman, a former well-known citizen of Mayville and eldest child of the late Mr. Amanda Tureman, late at his home in Chicago critically ill. His sister, Mrs. Annabel Pearce, has been with him some days, and the physicians in charge give little hope of his recovery.

Senator Fairbanks of Indiana has been formally announced as a candidate for President in 1904. The announcement was made by Harry S. New, Republican National Committeeman from Indiana.

The Court of Appeals in an opinion by Chief Justice Payson rendered a decision holding that expenses of registration for elections for members of School Boards in cities must be paid by the counties and not by the cities.

Petitions from the citizens at large, the W. C. A. Methodist Church, Christian Church and W. C. T. U. were placed before the Mayor and Council of Madisonville asking them to put a stop to all reckless shooting, drunkenness and swearing on the streets.

General Rash C. Hawkins of New York City has sent to the University of Vermont a lot of rare documents concerning the Civil War, to be added to the valuable collection of a large number of old and the Duke of Lancaster, who is now in his eighty-fourth year. King Christian began to rule in 1883 and the Grand Duke in 1880, so that their reigns bear no comparison in length with that of Queen Victoria.

The oldest Church bell tower in America is now in good condition in Tacoma, Wash. When the first settlement was made on Commencement Bay, Puges Sound, a Church was built but there was no bell tower, so a big fir tree was selected. The bell was placed in the top of this tree, a ladder extending from the roof of the Church to the top of the tree, and the bell was hoisted up. The tree-crooked fir still stands, with the bell in its top.

The roar of the lion can be heard farther than the sound of any other living creature. Next comes the cry of a hyena, and the howl of the wolf. After these, the panther and the jackal. The donkey can be heard fifteen times farther than the horse, and the cat ten times farther than the dog. Strange as it may seem, the cry of the hawk can be heard farther than that of either the cat or dog.

It is said that the Bank of France has an invisible studio in a gallery behind the cashier, so that at a given signal from one of them any suspected customer can instantly have his photograph taken without his knowledge. The camera has also become very useful in the detection of frauds, a word or figure that the eye seemed completely erased being clearly reproduced in photographs of the document that had been tampered with.

THE MEDICINE MEN.
 All the Old Officers Re-Elected at Wednesday's Meeting.

The Mason County Medical Society held its regular monthly meeting at the residence of Dr. S. R. Harvor Wednesday last.

There was a fair working attendance, but a larger was desired in view of the election of officers for the coming year. The old officials were re-elected, as follows:—
 President—Dr. James Shackelford.
 Vice-President—Dr. Alex. Harvor.
 Secretary—Dr. A. G. Browning.
 Corresponding Secretary—Dr. A. N. Ellis.
 Treasurer—Dr. S. R. Harvor.

The leading essay was by Dr. Harvor on "The Importance of Diet in Health as Well as in Disease." The well-chosen subject was pointedly and skillfully handled, abounding in useful reminders to the physician and of much value to laymen had they been present to profit thereby. It isn't at all pertinent whether doctors practice what they preach; the stubborn fact is that over-indulgence at table has its retributive sting without respect of person or vocation, and he is wise who heeds such advice as the doctor gave.

Dr. Irvine, an honorary member from Toilsboro, was timely, as ever, in his coming, and as usual fallacious and instructive in his presentation of some cases of much professional interest.

On motion of Dr. Cook, the Society was again put upon wheels and Blue-leaf Springs selected as the place of next meeting on Wednesday, June 26th. Efforts will be made to secure a full attendance of the members, and also of the physicians of the county within easy reach of the springs; and are cordially invited in advance.

Dr. A. G. Browning and Dr. A. N. Ellis of the latter city were appointed Essayists for the October.

Mr. William Tureman, a former well-known citizen of Mayville and eldest child of the late Mr. Amanda Tureman, late at his home in Chicago critically ill. His sister, Mrs. Annabel Pearce, has been with him some days, and the physicians in charge give little hope of his recovery.

LION COFFEE

A LUXURY WITHIN THE REACH OF ALL!

MAKE no mistake!
See that my head
is on every package of
LION COFFEE
you buy. It guarantees
its purity. No coffee is
LION COFFEE

unless it is in a 1 pound
sealed packet with the
head of a lion on the
front. Then you get
pure coffee—the highest
grade for the money.

Watch our next advertisement.

Why has
LION COFFEE

now become the leader
of all package coffees?
And why is it used in
millions of homes?
Because it does not
sail under false colors.
It is an absolutely clean,
pure coffee. No glazing,
no coating with egg
mixtures or chemicals
in order to hide imperfections.

Just try a package of
LION COFFEE
and you will understand
the reason of its
popularity.

In every package of **LION COFFEE** you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).

An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appeal to you as though the advertisers were indulging too freely in fine words? Most of these seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials; turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress Goods, White Goods, Carpets, Mattings and Housekeeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality considered. Respectfully,

GEORGE COX & SON.

We Want.....

YOU TO SEE THEM!

Never before have we had so many nice things to show our customers as we have this season. Our Men's, Boys' and Children's

CLOTHING

Are the admiration of all who have seen them. They are from the very best manufacturers in this country and many of them made from fine imported goods. Every garment we sell is guaranteed, and if not satisfactory we ask our customers to return them. Our Men's Furnishing Goods and Hats, both fur and straw goods, are beyond doubt the nicest ever brought to this market. Our Soft Summer Shirts, White and Colored, also our line of Neckwear, are so beautiful that we want to show them to all; in truth, we like to look at them ourselves, they are so very pretty.
